LET'S CREATE SOMETHING IRRESISTIBLE

SOME THINGS CHANGE. FORTUNATELY, SOME THINGS DO NOT.

After 100 years, EFCO is still a family-owned and operated business. And while we have grown - adding staff, expanding operations, introducing new products, adding new capabilities, having a global reach in 5 continents and much more, it's also nice to know that some things never change.

Here at EFCO, it is our expertise in producing wet and dry blended ingredients - such as cake mixes and donut crême fillings that remain constant. Our ingredients are used in products by retail, wholesale, and in-store bakeries, frozen food manufacturers as well as restaurants throughout the world. We are the ingredient in products that people everywhere, around the world, love to eat.

IT'S TIME TO EXPLORE. A VISUAL JOURNEY OF INSPIRATION.

In the pages that follow, you'll literally see the many countless ways EFCO can impact the foods your customers like to eat. Separated by day parts, explore Breakfast, Lunch + Snack and finally, Dinner and Dessert. While we have a large range of in-stock, on-the-shelf products, we also specialize in custom formulating ingredients for particular needs and programs.

Let's continue the discussion about how you can put EFCO to work and leverage our 100 years in the baking to create new sensations, signature dishes, side dishes, dipping sauces, beverages, flavored coffees, desserts and, well, you get the idea.
